EXPERIENCE

ESL Tutor

01/19/2017- 05/22/2017

Hartnell College, Salinas, CA

- Helping students to better understand English grammar and pronunciation.
- Supporting students that have difficult time understanding a topic.
- Interpreting and translating English to Spanish for the teacher and students in order to have a better communication.
- Assisting students using the computers.
- Correcting grammar and punctuation on students' papers to help them improve their writing.

Teacher Assistant

08/24/2015-06/03/2016

MPC Child Development Center, Monterey, CA

- Supporting children that their second language is English.
- Creating circle time for children to learn different topics and express themselves.
- Helping the teacher elaborate an activity plan for each week to have a well-organized classroom and a better support for the students.
- Assisting children that need help washing their hands, putting their shoes on, etc.
- Creating outdoor and indoor activities for the children to explore different subjects such as art, writing, reading, math, science, and socio-dramatic play.
- Assessing children's development using the Desire Results Developmental Profile.
- Having parent conferences at the end of the semester to talk about their children's progress.
